

NEURA

# MiPA Gen 3

Your Intelligent Personal Assistant for Work and Life.

**Meet MiPA: designed to make everyday life easier.**

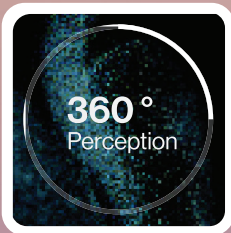

Powered by Neura's advanced technologies including smart touch sensing, intuitive AI, and safe touchless human detection — MiPA safely takes on repetitive, tiring, or risky tasks so you don't have to.

**Built on a flexible, customizable platform.**

With modular hardware and easy-to-configure software, MiPA can be tailored to meet the needs of specific applications. Whether in manufacturing, healthcare, retail, or the home, it adapts effortlessly and grows with your business.

My Intelligent Personal Assistant.
